INTERVIEW SUMMARY

Sir:

An October 5, 2010 telephonic interview was held between Examiner Christensen and Applicants' representative Dermot G. Miller (Reg. No. 58,309) to discuss a September 14, 2010 Official Communication which Applicants received only after the July 12, 2010 Notice of Allowance issued in the above-identified patent application. The September 14, 2010 Official Communication indicated that claim 12 of the instant application should be amended to depend from claim 1.

During the interview, it was agreed that prior to issuance of the allowed patent, Examiner Christensen would enter, in addition to other Examiner's amendments, an amendment to have claim 12 depend from claim 1. More particularly, it was agreed that Examiner Christensen would enter such an amendment without requiring Applicants to submit any request under 37 C.F.R. §1.312.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN, LLP

Date: October 6, 2010
